SUMMARY: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are Invited on

Title and Purpose of Information Collection

Evidence for application of Overall Minimum: OMB 3220-0083 Under Section 3(f)(3) of the Railroad Retirement Act (RRA), the total monthly benefits payable to a railroad employee and his/her family are guaranteed to be no less than the amount which would be payable if the employee's railroad service has been covered by the Social Security Administration. The Social Security Overall Minimum Guarantee is prescribed in 20 CFR 229. To administer this provision, the Railroad Retirement Board (RRB) requires information about a retired employee's spouse and child(ren) who would not be eligible for benefits under the RRA but would be eligible for benefits under the Social Security Act if the employee's railroad service had been covered by that Act. The RRB obtains the required information by the use of forms G-319 (Statement Regarding Family and Earnings for Special Guaranty Computation) and G-320 (Statement by Employee Annuitant Regarding Student Age 18-19). One form is completed by each respondent. Form G-319 is being revised to request information regarding a student's earnings and entitlement to other benefits. Reformatting, editorial and cosmetic revisions are also being proposed to Form G-319. Reformatting, and editorial revisions (including the deletion of information items requested on the proposed G-319) are proposed to Form G-320.
